PART I

GOVERNMENT OF KERALA

Local Self Government (RD) Department

NOTIFICATION

G.O. (Ms.) No. 231/2011/LSGD.

Dated, Thiruvananthapuram, 27th September 2011.

WHEREAS, the Government have, vide notification issued under G. O. (Ms.) No. 38/88/LAD dated 25th March, 1988 and published as S. R.O. No. 595/88 in section IV, Part I of the Kerala Gazette No. 19 dated 10th May, 1988 sanctioned the Detailed Town Planning Scheme for Kozhikode Beach Area under sub section (3) of section 14 of the Madras Town Planning Act 1920 (VII of 1920);

AND WHEREAS, it is required to further vary the said scheme for the purpose of making the zoning regulations compatible to the present development scenario to the extent possible as an immediate measure;

Now, THEREFORE, in exercise of powers conferred by clause (b) sub-section (2) of section 15 of the Madras Town Planning Act, 1920 (Act VII of 1920), the Government of Kerala hereby rescind the notification published under G.O. (Ms.) No. 205/10/LSGD dated 9th September, 2010 in the Kerala Gazette No. 39, dated 5th October, 2010 and propose to issue a notification varying the said Detailed Town Planning Scheme to the extent required, a draft of which is appended as required under sub-rule (1) of rule 72 of the Madras Town Planning Rules.

Notice is hereby given that the said draft will be taken up for consideration within sixty days from the date of notification and any person interested in the Scheme may submit in writing his objections and suggestions, if any, thereon within the said date. Any person concerned with or affected by the proposed notification shall submit their objections and suggestions, if any, to the Town Planner, Kozhikode (on behalf of Secretary to Government, Local Self Government Department).

AMENDMENT

In exercise of the powers conferred by clause (a) of sub-section (2) of section 15 of the Madras Town Planning Act, 1920 (Act VII of 1920), the Government of Kerala hereby vary the Detailed Town Planning Scheme for Kozhikode Beach Area, sanctioned under sub-section (3) of section 14 of the said Act issued under G. O. (Ms.) No. 38/88/LAD dated 25th March, 1988 and published as S. R. O. No. 595/88 in Part I, Section IV of the Kerala Gazette No. 19 dated 10th May, 1988 to the extent as indicated below:—

VARIATION

In the said scheme, for the sub-heading “10 Reservation of Land and Zoning” and the entries under it the following shall be substituted, namely:—

10 Reservation of Land and Zoning

1. A list of land reserved for streets and for other non-residential purposes is given in schedule IV (Form No. 10). For the purpose of the scheme, the streets or footpaths which may be approved or made in accordance with the provisions of the scheme, which are not mentioned in schedule IV shall also be deemed to be included under land reserved for the purpose of the scheme.
2. The Kozhikode Corporation may, from time to time meet the demand, declare any part of the area, with the approval of the Chief Town Planner or subject to such conditions and restrictions as he may think fit, to be reserved for any activity or for such other purposes which can be prescribed under sub-section (k) of section 4 of the Act.

Any part of the area so declared shall be included under land reserved under the scheme and treated as such.

3. (i) All future developments in respect of land within the scheme area shall conform to the zoning regulations given in the schedule below: (Any uses not mentioned therein shall be prohibited).
- (ii) For the implementation and enforcement of the proposals envisaged in the Detailed Town Planning Scheme, areas have been zoned under various uses such as residential, commercial, public and semi-public, etc. Details regarding the nature of uses 'permitted', uses 'restricted' and uses 'prohibited' in each zone are given below:
- (iii) "Uses permitted" in a zone cover the uses that can be normally accommodated in the relevant zone. In some cases it may be possible to permit some other uses also which are not likely to affect the quality and environment in a zone specified for a particular use. Such cases have to be individually studied based on their performance characteristics and spatial locational factors. Such cases, which come under this category, are classified as "Uses Restricted". "Uses Prohibited" enlists the various objectionable uses in each zone, which shall not be permitted under normal circumstances.
- (iv) The said zoning regulations are not intended to prohibit existing uses that have been lawfully established prior to the enforcement of these regulations. They are essentially intended to help the competent authority in decisions regarding granting or refusal of planning permissions for land use conversions and construction of buildings/structures or any other matter specifically mentioned in these regulations.
- (v) Existing areas and structures of archeological importance and religious uses may be permitted to continue in all zones.
4. Large scale development proposals in an area not less than 2.023 Hectares, exceeding an investment of ` 50 crores, which provide direct employment (after commissioning of the project) to the tune of not less than 500 and medium scale development proposals in an area not less than 80.93 ares, exceeding an investment of ` 25 crores, which provide direct employment (after commissioning of the project) to the tune of not less than 300 may also be permitted in all use zones subject to the recommendation of a committee to be constituted by the Government for

this purpose, under the chairmanship of the Secretary, Local Self Government Department, consisting of the Chief Town Planner, Department of Town and Country Planning, Government of Kerala, Regional Town Planner, District Office of the Department of Town and Country Planning, Kozhikode and the Secretary of the local body concerned; and also satisfying the following conditions, namely:—

- (a) The developer shall produce project cum feasibility report and Environmental Impact Assessment Report, if required, of the project to the convenor of the committee, 15 days in advance of the committee meeting.
- (b) The developer shall produce before the committee all required clearances from the State and Central Government agencies concerned.
- (c) Adequate provision shall be made for supporting infrastructure such as water supply, sewerage, solid waste management etc. Separate waste management plant and solid waste management measures shall be provided and maintained by the developer at his cost.
- (d) Adequate Memorandum of Understanding between the developer and the Secretary of the local body concerned shall be undertaken to bring this into effect.
- (e) Maximum permissible Floor Area Ratio shall be 2 and minimum access width shall be 12m.
- (f) The project shall be completed within a period of 3 years if not specified otherwise.

The regional Town Planner, Kozhikode shall be the convenor of the committee.

5. All other regulations that are not specified in these rules shall be in accordance with the Kerala Municipality Building Rules, 1999.
